

SUPPORT YOUR LOCAL STREAM:

Become a volunteer stream monitor!

Join hundreds of volunteers around Wisconsin who monitor the health of their local streams. Learn to monitor by assessing:

- Stream flow
- Water temperature
- Dissolved oxygen
- Aquatic insects
- Water clarity
- Habitat

We are seeking volunteers who want to join local water quality monitoring teams. If you live near the stream(s) listed above and are interested in learning more, contact:

WaterActionVolunteers.org
