5. Did you complete the Online Introduction to WAV course?

*Mark only one oval.*

- Yes!
- No, not yet, but I plan to complete it before the field training.
- No, I am unable to complete the online course.

6. Have you participated in stream monitoring in the past?

*Mark only one oval.*

- Yes, here in Wisconsin.
- Yes, in another state/country.
- No, this is my first time.

7. We recommend stream monitoring volunteers work in teams of at least 2 people, for safety and ease. Do you have a stream monitoring teammate?

*Mark only one oval.*

- Yes, I have a stream monitoring teammate who IS attending this training.
- Yes, I have a stream monitoring teammate who IS NOT attending this training.
- No, I would like help finding a stream monitoring teammate.

8. If you have a monitoring teammate, what is your teammate's name?

---

9. Would you like to request any accommodations that would help you fully participate in the training?

This training is entirely outdoors in a stream-side setting. Volunteers are welcome to bring camp chairs and are invited but not required to enter the stream to participate. If there are additional accommodations needed, please share those in the space below. You are welcome to include other information you'd like your instructors to know about accessing this training, such as life-threatening allergies, mobility concerns, learning disabilities, being hard of hearing, or other learning styles.
